TENPLE is produced by TEN TEN NYC, a registered 501(c)(3) nonprofit organization that supports artists, fosters mental wellness, and builds joyful, inclusive communities through contemporary healing and emotional engagement.

By participating, collaborating, or supporting this project, you help bring our mission to life — and become part of something that sparks joy and creativity for everyone involved.

All proceeds from the sale of this magazine go directly toward TEN TEN NYC's programs and artist support. Your support empowers artists to thrive — and in turn, these artists bring color, healing, and emotional connection into the world.

We regularly host events, pop-ups, workshops, and exhibitions — so please stay connected. We can't wait to share this evolving journey with you!
